~All microphone stands need booms ~Some inputs can be changed depending on venue  
 ~Band may be 7 or 8 members for shows - Becky is only available for occasional shows-We will inform you of member count.  
 ~Performers use amplifiers for all instruments -some are used as instrument monitors other amps need to be mic-ed for main mix  
 ~ Some of the performers have their own direct boxes, but venue should be prepared to provide all  
 ~AC power drops are needed for amplifiers and keyboards ~ Need bottled water and towels for each performer  
 ~Some monitors and mics MAY be combined if venue does not have sufficient mixes or wedges or inputs-please consult  
 ~John provides his own Keyboard monitor Pete does not always bring his keyboard if he does it is run through his amp.
